Salvation

Elton John

I have to say my friends
This road goes a long, long way
And if we're going to find the end
We're gonna need a helping hand

I have to say my friends We're looking for a light ahead In the distance a candle burns Salvation keeps the hungry children fed

It's gotta take a lot of salvation What we need are willing hands You must feel the sweat in your eyes You must understand salvation

A chance to put the devil down Without the fear of hell Salvation spreads the gospel round And free you from yourself
