

## Thank You Mama (Piano Demo)

Elton John

Now the world has turned away  
My life gets colder every day  
You don't know how it is  
I lost all my will to live  
You've taken the love I have to give  
You don't know how it is

Thank you Mama, you ease to please again  
You know Mama, you take the pain away  
Oh it's sad but not so bad  
Make me lose the blues I had  
Thank you Mama, you ease to please again

Well Sunday comes along with the wind  
Every Sunday was spent with him  
You don't know how it is  
We would watch the flames burn higher  
Tell me Mama started to cry  
You don't know how it is

Thank you Mama, you ease to please again  
You know Mama, you take the pain away  
Oh it's sad but not so bad  
Make me lose the blues I had  
Thank you Mama, you ease to please again

Thank you Mama, you ease to please again  
You know Mama, you take the pain away  
Oh it's sad but not so bad  
Make me lose the blues I had  
Thank you Mama, you ease to please again
