

You Gotta Love Someone

Elton John

- D**
1. You can win the fire
G **D**
You can grab a piece of the sky
D
You can break the rules
G **D**
But before you try
- A**
You gotta love someone
G **D**
You gotta love someone
2. You can stop the world
Steal the face from the moon
You can beat the clock
But before high noon
- You gotta love someone
You gotta love someone
- A**
R: You've got one life with a reason
D
You need two hearts on one side
Hmi
when you stand alone, and there's no-one left
E **A** **G F#mi**
To share the way you feel inside
E mi D A
And baby...
3. You can shoot the devil
And slice a piece of the sun
Burn up the highway
But before you run
- You gotta love someone
You gotta love someone
- R1: When you're gonna play with fire
You let someone share the heat
When you're on your own, and there's no-one left
To cool the flames beneath your feet
And baby...
4. You can win the fire
You can grab a piece of sky
You can break the rules
But before you try
- You gotta love someone
