

Your Song

Elton John

D **Gmaj7** **A/C#** **F#m**
1. It's a little bit funny, this feeling inside
Hm **Hm/A** **Hm/Ab** **G**
I'm not one of those who can easily hide
D/A **A** **F#** **Hm**
I don't much money, but, boy if I did
D **Em** **G** **A** **Asus4** **A**
I'd buy a big house where we both could live

If I was a sculptor, but then again no
Or a man who makes potions in a travelling show
I know it's not much but it's the best I can do
D **Dsus4** **D**
My gift is my song, and this one for you

A/C# **Hm** **Em** **G**
R: And you can tell everybody this is your song
It may be quite simple but now that it's done
Hm **Hm/A**
I hope you don't mind, I hope you don't mind
Hm/Ab **G6**
That I put down in words,
D/F# **G6** **G** **A** **Asus4** **A**
How wonderful life is while you're in the world

2. I sat on the roof, and kicked off the moss
Well a few of the verses they've got me quite crossed
But the sun's been quite kind, while I wrote this song
It's for people like you that they keep turned on

So excuse me forgetting, but these I do
You see I've forgotten if they're green or they're blue
Anyway, the thing is, what I really mean
Yours are the sweetest eyes I've ever seen

R: And you can tell everybody this is your song...

I hope you don't mind, I hope you don't mind
That I put down in words,
D/F# **G6** **G** **D**
How wonderful life is while you're in the world
