Oh AEterna Lux

Chase the torches dance
Down the cellar path
Murmured choirs arise
Peeping through the walls
A candles pentacle
Encircle hooded monks

Grand adept of Astaroth
Great duke of the infernal hell
Reveal to me the secrecy
The Magick Grimoire of the spells

Oh Fortuna servant of the weak and oppressed
Offer us the force to bless
Accept magister the sacrifice
The four stars aligned

The secret self
The silence unveiled
Heru-pa-kraath
Oh do what thou wilt
The royal snake of wisdom
Master of life and death
Oh splendrous serpent

From the depths of hell
Amon
I conjure thee
Oh Great Marquis
Unveil to me all that you see
And telleth all things past and to come

Oh Fortuna servant of the weak and oppressed
Offer us the force to bless
Accept magister the sacrifice
The four stars aligned
Wear the hexagram made with skin of calf
Join me in the cleansing bath
Be the vessel
Conduit of Aiwass
Join the cult or die
