

Devil's Carriage

Elvenking

On a hill, on the devil's top
There is a man hiding in the shadows of the night
He's trying to stop the course of time
The line dividing good from wrong
There is more than meets the eye
In this world full of lies and death
The devil's carriage is leading all the souls to a place so far away

[Bridge:]

You can't deny your innocence!
Your life won't be forever
You should show your nicest part
You are the one who cries

[Bridge 2:]

You will see
What you have never seen
In the afterlife you know you will forever be
At the fair, in the dragon's lair
You won't be safe 'cause the red driver's waiting there
He will be taking you through a nightmare you have never had before

[Bridge:]

You can't deny your innocence!
Your life won't be forever
You should show your nicest part
You are the one who cries

[Bridge 2:]

You will see
What you have never seen
In the afterlife you know you will forever be

[Chorus:]

The devil's carriage ride
It's a trip to the other side
All it's said and done
Won't count a single word
Been taken in the devil's care
You've never been a step downstairs
But you have to know
It's gonna happen here and now...
It's your future and watch out
'Cause the devil's carriage's running on and on!
At the fair, in the dragon's lair
You won't be safe 'cause the red driver's waiting there
He will be taking you through a nightmare you have never had before
At the sight of this dark fright night
He came and took another soul
Bleding all it's light
And from the coach the sound of laughter, of laughter
