

Holler And Shout

Elvin Bishop

Let me tell you 'bout the first time I met that woman of my dreams
My eyes popped out of my head, she was the sweetest thing I'd ever seen

And I hollered, shouted
Yes, I did
Shouted out loud
I said, baby
Whoa, child
You turn me around

Let me tell you what I'm talkin' about
She just about knocked me out
Lookin' so good that I lost my cool
And I just had to shout

And I hollered, shouted
Yes, I did
Shouted out loud
I said, baby
Whoa, child
You turn me 'round
(All the way around)

Let me tell you what I'm talkin' about
She just about knocked me out
Lookin' so good that I lost my cool
And I just had to shout

And I hollered, shouted
Yes, I did
Shouted out loud
I said, baby
Whoa, child
You turn me 'round
(All the way around)

I don't know what it's worth, but that woman
(Shouted out loud)
Let me tell you that she moved me
And she grooved me
(All the way around)

Now, every day
Every way
(Shouted out loud)
Talk about her
Talk about her
Holler and shout
