

# Old School

Elvin Bishop

I wear old fashioned clothes old fashioned shoes  
Old Gibson guitar playing old fashioned blues  
I'm old school  
I'm old school  
I'm old school  
I'm old school

Yeah, man  
I'm an old fashioned dude  
Tell the truth!  
No tattoos!

Don't fool with no Facebook, no twitters and tweets  
Call me on the phone if you want to talk to me  
I'm old school  
I'm old school  
I'm old school  
I'm old school

Yeah, call me on the phone  
Telephone's high tech as I get  
Now don't send me no email  
Send me a female!

Old school  
I'm old school  
I'm old school  
I'm old school

I go to the club, don't want no DJ jive  
I like my real music, up close and live  
I'm old school  
I'm old school  
I'm old school  
I'm old school

Oh yeah!
