Think

Elvin Bishop

If I give up, my friends I know
And in return you give up yours

Before we think
What would we do later on?
What kind of life would we have?
Just in case we're both were wrong

Now I can give up my woman
You can give up your man
But it don't make sense to take the chance

Before we think
What would we do later on?
What kind of life would we have?
Just in case we're both were wrong

They say love is a gamble
And we know that's true
But why gamble on me?
And why should I on you?

Before we think
What would we do later on?
What kind of life would we have?
Just in case we're both were wrong
