

Alison

Elvis Costello

Oh, it's so funny to be seein' ya after so long, girl
And with the way you look
I understand that you are not impressed
But I heard you let that little friend of mine
Take off your party dress
I'm not gonna get too sentimental
Like those other sticker valentines
Cause I don't know if you are lovin' somebody
I only know it isn't mine

Alison, I know this world is killin' you
Oh Alison, my aim is true

Well, I see you got a husband now
Did you leave your pretty fingers flying in the wedding cake?
You used to hold him right in your hand
I bet it took all he could take
Sometimes I wish that I could stop you from talkin'
When I hear the silly things that you say
I think somebody better put out the big light
Cause I can't stand to see you this way

Alison, I know this world is killin' you
Oh Alison, my aim is true
My aim is true
My aim is true
My aim is true
My aim is true....
