Alison

Elvis Costello

Oh, it's so funny to be seein' ya after so long, girl And with the way you look I understand that you are not impressed But I heard you let that little friend of mine Take off your party dress I'm not gonna get too sentimental Like those other sticker valentines Cause I don't know if you are lovin' somebody I only know it isn't mine

Alison, I know this world is killin' you Oh Alison, my aim is true

Well, I see you got a husband now Did you leave your pretty fingers flying in the wedding cake? You used to hold him right in your hand I bet it took all he could take Sometimes I wish that I could stop you from talkin' When I hear the silly things that you say I think somebody better put out the big light Cause I can't stand to see you this way

Alison, I know this world is killin' you Oh Alison, my aim is true My aim is true My aim is true My aim is true My aim is true....
