

## Baby Plays Around

Elvis Costello

It's not open to discussion anymore  
She's out again tonight and I'm alone once more  
She's all I have worth waiting for  
But baby plays around  
And so it seems I've always been the last to know  
To hold on to that girl, I had to let her go  
I wish to God I didn't love her so  
'Cos baby plays around

I try to be strong hold on to my pride  
She doesn't even know it's wrong, how much  
I hurt Inside  
And heaven knows I've tried  
But baby plays around. just a plaything  
It's hard to reconcile the facts I'm facing

It's not open to discussion anymore  
She walks those shiny streets  
I walk the worn out floor  
She's all I have worth living for  
Baby plays, baby plays around
