Gigi

Am I a fool without a mind?
Or have I nearly been too blind to realize
Oh Gigi
While you've been growing up before my eyes

Gigi

You're not at all that funny awkard little girl I knew No, overnight there's been a breathless change in you Oh Gigi
While you were trembling on the brink
Was I out yonder somewhere blinking at a star?

Oh Gigi

Have I been standing up too close or back too far? When did your sparkle turn to fire?
And your warmth become desire
Oh what miracle has made you the way you are?

When did your warmth become desire? And your sparkle turn to fire? Oh what miracle has made you the way you are?

Oh Gigi
