I Just Don't Know What to Do with Myself

Elvis Costello

I just don't know what to do with myself I just don't know what to do with myself I'm so used to doing everything with you Planning everything for two And now that we're through

I just don't know what to do with my time I'm so lonesome for you, it's a crime Going to a movie only makes me sad Parties make me feel as bad When I'm not with you I just don't know what to do

Like a summer rose needs the sun and rain I need your sweet love to beat all the pain

I just don't know what to do with myself I just don't know what to do with myself Baby, if your new love ever turns you down Come back, I will be around Just waiting for you I don't know what else to do

Don't know what else to do I don't know what else to do I'm still so crazy for you Oh, oh, oh
