

Control

Elvis Depressedly

I was out of my mind
I was out of control
Borrowing time
To rot away my soul

I had a vision
It went out of control
And with my heart broken
I closed my eyes and let go

Until I was out of my mind
Until I was out of control
Laughing out lies
To rot away my soul

I had a vision
It went out of control
Life shows it's teeth then it
Sinks them in to all that you know

Until you're out of your mind
Until you're out of control
We're all out of our minds
We're all out of control
We're all out of our minds
We're all out of control
We're all out of our minds
We're all out of control
