

"...Forever! Forever! Forever!..."

I've turned every corner
I still need you on my mind
When I'm feeling useless, barely getting by

Break these wild horses
I have drifted through my life
Cavities caving to numbness, I am never going to die

I've turned every corner
I just want you on my mind
When I'm feeling useless, barely getting by

Break these wild horses
I have wasted my whole life
Cavities caving to numbness, I am never going to die

"God is all around us all it takes is a thought
Wormwood falls from heaven
Consuming sinner and Satan alike... who will be..."
