

## Blue Christmas

Elvis Presley

**D** **A**  
I'll have a Blue Christmas without you

**A7** **D**  
I'll be so blue just thinking about you

**D7** **D** **G** **E7**  
Decorations of red on a green Christmas tree

**E** **A** **A7**  
Won't be the same dear, if you're not here with me

And when those blue snowflakes start falling  
That's when those blue memories start calling  
You'll be doin' all right, with your Christmas of white

**A** **D**  
But I'll have a blue, blue blue blue Christmas

**Ami** **D** **G** **E7**  
You'll be doin' all right, with your Christmas of white,

**A** **D**  
But I'll have a blue, blue Christmas
