Don't Think Twice, It's All Right

Elvis Presley

There ain't no use to sit and wonder why babe If you don't know by now
There ain't no use to sit and wonder why babe If you don't know by now
When the rooster crows at the break of dawn
Well look out your window baby I'll be gone
You're the reason I'm movin' on
Yeah, don't think twice it's all right

I've headed down that long lonesome road, girl Where I'm bound I can't tell Goodbye is too good a word girl So I'll say Fare thee well I ain't sayin' you treated me unkind You could have done better but I, I don't mind You just kinda wasted my precious time Oo, Don't think twice it's all right

Take it on

When the rooster crows at the break of dawn Well look out your window baby I'll be gone You're the reason I'm movin' on Yeah don't think twice it's all right

There ain't no use to sit and wonder why babe It don't matter anyhow
There ain't no use to sit and wonder why babe If you don't know by now

When the rooster crows at the break of dawn Well look out your window baby I'll be gone You're the reason I'm travelin' on Oh don't think twice it's all right

I'm headed down that long lonesome road, babe Where I'm bound I can't tell Goodbye is too good a word girl I'll just say Fare thee well I ain't sayin' you treated me unkind You could have done better but I, I don't mind You just sorta wasted my favorite time Oo, Don't think twice it's all right Wow

When the rooster crows at the break of dawn Well look out your window baby I'll be gone You're the reason I'm travellin' on Oh don't think twice it's all right

I've headed down that long lonesome road, girl Where I'm bound I can't tell
Goodbye is too good a word girl
I'll just say Fare thee well
I ain't sayin' you treated me unkind
You could have done better but I don't mind
Yeah, you're the reason I'm travellin' on

Oh don't think twice it's all right

Take it on
Where I'm bound I can't tell
Goodbye is too good a word girl
So I'll say Fare thee well
