Earth Boy

Elvis Presley

Earth boy dream of angel Angel she be sweet and make him have happy heart In land of love Angel dream of earth boy, earth boy who'll be true And love her till sun grow cold in land of love

Angel walk on street Earth boy walking too All at once they meet Oo-oo-oo dreams come true Now that's part of story Like two doves in land of love we will always be Happy angel is you Happy earth boy is me

Angel walk on street Earth boy walking too All at once they meet Oo-oo-oo dreams come true Now that's part of story Like two doves in land of love we will always be Happy angel is you Happy earth boy is me

Earth boy dream of angel Angel dream of earth boy Earth boy dream of angel Angel dream of earth boy Earth boy dream of angel
