Just Pretend

Elvis Presley

Just pretend, I'm holding you And whispering things soft and low And think of me, how it's gonna be, Just pretend I didn't go When I walked away, I heard you say If you need me, you know what to do I knew it then, I'd be back again Just pretend I'm right there with you

And I'll come flying to you, oh yes All the crying is true Oh, I will hold you and love you again But until then, well just pretend

Oh, it's funny but I can't recall the things We said or why you're crying But now I know it was wrong to go I belong here by your side
