Little Darlin'

Elvis Presley

Little darlin', little darlin'
Oh where, are you, oo oo oo
Walla walla chipa mocka mogga
Oh my lover, oh just for you, only you

My darling, I need you
Darling I need you to call my own
To hold your life, your little foot, your hand
I knew someone would understand that
Hold my hand

My dear, I would run
To find without you
Oo oo oo oo
Oh, oo oo oo
That my love was just for you, 'n only you
