No More

Elvis Presley

No more do I see the starlight caress your hair No more feel the tender kisses we used to share I close my eyes and clearly my heart remembers A thousand goodbyes could never put out the embers

Darling, I love you so, and my heart forever Will belong to the memory of the love that we knew before Please, come back to my arms; we belong together Come to me; let's be sweethearts again and then let us part no more

No more do I feel the touch of your hand on mine No more see the love-light making your dark eyes shine Oh, how I wish I never had caused you sorrow But don't ever say for us there is no tomorrow

Darling, I love you so, and my heart forever Will belong to the memory of the love that we knew before Please, come back to my arms; we belong together Come to me; let's be sweethearts again and then let us part no more
