## **Only the Strong Survive**

**Elvis Presley** 

I remember, my first love affair Somehow or another the whole darn thing went wrong My mama had some great advice So I thought I'd put it into words of this song I can still hear her sayin' it

"Boy, oh, I see you're sittin' out there all alone Cryin' your eyes out 'cause the woman that you love has gone Oh, there's gonna be, there's gonna be a whole lot of trouble i n your life Oh, so listen to me get up off of your knees 'cause only the st rong survive"

That's what she said "Only the strong survive, only the strong survive Oh, you've got to be strong, you'd better hold on Don't go, all around with your head hung down"

Well, I wouldn't let that little girl No, I wouldn't let her know that she made me feel like a clown There's a whole lot a girls, lookin' for a good man like you Oh, but you'll never meet 'em if you give up now And say, your life is through

And she said it "Only the strong survive, only the strong survive Oh, you've got to be a man, you've got to take a stand Only the strong survive, only the strong survive"

"Well, you've got to be strong, you'd better hold on Only the strong survive, only the strong survive Only the strong survive"

"Well, you've got to be a man, you've got to take a stand Only the strong survive, only the strong survive Only the strong survive, only the strong survive Only the strong survive"
