

Such A Night

Elvis Presley

E

It was a night oo-oo what a night

B7

It really was such a night

The moon was bright oh how so bright

E

It really was such a night

B7

The night was alight with stars above

Oo-oo when she kissed me

E

I had to fall in love

Oh it was a kiss oo-oo what a kiss

It really was such a kiss

Oh how she could kiss oh what a kiss

It really was such a kiss

Just the thought of her lips sets me afire

I reminisce

and I'm filled with desire

E

B7

But I'd gave my heart to her in sweet surrender

E

How well I remember, I'll always remember

Oh, what a night oo-oo what a night

It really was such a night

Came the dawn and my heart and her love

And the night was gone

But I'll never forget the kiss The kiss in the moonlight

Oo-oo such a kiss,

such a night

It was a night oo-oo what a night

It really was such a night

Came the dawn and my heart and her love

And the night was gone

But I'll never forget the kiss the kiss in the moonlight

How well I remember,

I'll always remember

That night oo-oo what a night

It really was such a night

When we kissed I had to fall in love

But I'd gave my heart to her in sweet surrender

How well I remember, I'll always remember

Oh that night oo-oo what a night

It really was such a night

When we kissed I had to fall in love

Well she's gone, gone, gone

Yes she's gone, gone, gone

Came the dawn, dawn, dawn

And my love was gone
But before that dawn yes before that dawn
and before that dawn
Oo-oo, oo-oo, oo-oo, oo-oo, oo-oo
Such a night
