

COLD NIGHTS

ElyOtto

In this harsh light, I want snow flakes
And I'm so drunk, I want cold nights
In this harsh light, I want snow flakes
And I'm so drunk, I want cold nights
In this harsh light, I want snow flakes
And I'm so drunk, I want cold nights
In this harsh light, I want snow flakes
And I'm so drunk, I want cold nights
I want-

In this harsh light
I want cold nights
I want cold nights
I want cold nights
I want cold nights
I want cold nights
I want cold nights
I want cold nights
I want cold nights
I want cold-
