

KFC MOONBEAM

ElyOtto

Oo-oo-oo
Oo-oo-oo
Oo-oo-oo
Oo-oo-oo

Sometimes this house is like a cage
The city sparkles in the distance
The autumn air a smoky haze
And you're the only one who listens

Head explode 'neath open skies
I die by suicide
I miss your stupid thighs
Come fuck me 'till I cry
Head explode 'neath open skies
I die by suicide
I miss your stupid thighs
Come fuck me 'till I cry
