

Luv Me Better

ElyOtto

Yeah
Oh oh oh

If I give you my luv
I tell you what I do
If you my all
Got to luv me more than just a friend

Wanna know if you can my loyal babe
Wanna know if you can keep a secret babe
Everything I do gal you only know it
Be my best friend be my one and only

If I go to jail will you bail me
When I'm down gal sheh you go be there
Be so good to me I'll be good to you
Keep the story for the gods me I no wan wayo

I no want fake love at all
That's why I no dey do (Instagram slay queen)
You're my better chance oh my babe
Will luv me better (girl luv me better)

Will you luv me better
Will you luv me better
Will you luv me better
Will you luv me better (babe ooo)

If I give you my luv
Oh oh oh ohh
If I give you my all
Got to luv me more than just a friend

You say you luv me so you got to prove it
Just wanna believe is not just for the money
Will you give it to you if you show u worth it
Give you my heart u not gonna break it

I wish you could just hear my hear-beat
I got this feelings that you not understanding
I I I wanna treat you right, wanna luv you better
Show you luv u never seen before

Babe you should luv me better (better)
You and I gonna make a history (better)
You should luv me better (better)
Keep you right under my umbrella (Ella)

Babe you should luv me better (better)
You and I gonna make a history (better)
You should luv me better (better)
Keep you right under my umbrella (Ella)

Ehh...
