

# The Headache

Ely Otto

I don't want to talk about the headache  
Or the way that it was  
Your love is like a prison  
But your body, baby, it's like a drug

Or the way that it was  
Your love is like a prison  
But your body, baby, it's like a drug

Your love is like a prison  
But your body, baby, it's like a drug  
I don't want to talk about the headache  
Or the way that it was  
Your love is like a prison  
But your body, baby, it's like a drug
