The Rules

Elysion

All our paths are full of thorns
Bleeding us for real
Making our way so impossible
And time is standing still

Breaking all the Rules
Never thought it's cruel
I just wanna see them hanging
Breaking all the Rules
Rising of the fooles
I just wanna see them hanging

By my rules, yes it's true
They held me back
They stabbed the knife to the bone
But I'm still alive

Breaking all the Rules
Never thought it's cruel
I just wanna see them hanging
Breaking all the Rules
Rising of the fooles
I just wanna see them hanging
By my rules

All our paths are full of thorns
Bleeding us for real

Breaking all the Rules
Never thought it's cruel
I just wanna see them hanging
Breaking all the Rules
Rising of the fooles
I just wanna see them hanging

By my rules, yes it's true
They held me back
They stabbed the knife to the bone
But I'm still alive

Breaking all the Rules
Never thought it's cruel
I just wanna see them hanging
Breaking all the Rules
Rising of the fooles
I just wanna see them hanging
By my rules (3x)

Breaking all the Rules (6x)

I just wanna see them hanging
