

Hot Goblin

Em Beihold

Think I knew it right from the start
I got a two-sided light and dark kind of heart
I feel so unapologetic, so divine
Until the moment that the stars don't align and I say

Oh my god, I'm so tired of this
One minute I'm a siren and the next I'm a fish
One minute I'm a hero and the next I'm a witch
So it goes
I can't help that

Sometimes I feel like I'm a hot goblin
Little bit perfect, little bit problem
Could be a dream or your worst nightmare
But I know who I am, so I don't care
Oh I know who I am, so I don't care

I could be the coolest person you know
The superstar, little diva in designer clothes
But you don't know how I feel inside
It cancels out the confidence and I just try to hide sayin'

Oh my god, I'm so tired of this
One minute I'm a siren and the next I'm a fish
One minute I'm a hero and the next I'm a witch
So it goes
I can't help that

Sometimes I feel like I'm a hot goblin
Little bit perfect, little bit problem
Could be a dream or your worst nightmare
But I know who I am, so I don't care
Oh I know who I am, so I don't care

And when push comes to shove
It's a strange disposition
That I'm learning to love
Got a range I can trust
And a strange intuition
To sing half a key up

Sometimes I feel like I'm a hot goblin
Little bit perfect, little bit problem
Could be a dream or your worst nightmare
But I know who I am, so I don't care
Oh I know who I am, so I don't care
Oh I know who I am, so I don't care
