

# Nobody Else

Em Beihold

It's no secret that I get in my head and I think that I'm not enough  
I believe it, like a fact in a book that I can't stop pickin' up  
And I'm diving off the deep end when I'm tryin'  
To go slow and dip my feet in, but I'm dyin'

And I wish that I could help it but I get too satisfied  
With the idea of this perfect life where I don't cry  
But I mean it 'casue I try and I try and I try

But when I take a better look at myself  
I should be happy that I'm nobody else  
I mean really  
When I look in the mirror and and see everything clearer  
I am happy that I'm nobody else

Nobody else  
Nobody else  
Happy that I'm nobody else  
I mean really when I  
Nobody else  
Nobody else  
Happy that I'm nobody else

Gotta keep all of my demons on a leash in sight  
'Cause if I let them go too far I know I'll never see the light of day  
No way

And I got too many problems  
Wish that I could solve 'em  
But I lock them in the basement  
Hide them under pavement  
I've been waiting for the daylight to fall right through the cracks  
Never looking back

But when I take a better look at myself  
I should be happy that I'm nobody else  
I mean really  
When I look in the mirror and and see everything clearer  
I am happy that I'm nobody else

Nobody else  
Nobody else  
Happy that I'm nobody else  
I mean really when I  
Nobody else  
Nobody else  
Happy that I'm nobody else

Give myself the room the breathe again  
Oh I'll be fine I know  
Give myself the time to make amends  
It's alright we'll take it slow

But when I take a better look at myself  
I should be happy that I'm nobody else  
I mean really  
When I look in the mirror and and see everything clearer

I am happy that I'm nobody else

Nobody else

Nobody else

Happy that I'm nobody else

I mean really when I

Nobody else

Nobody else

Happy that I'm nobody else
