

Painful Truth

Em Beihold

Ba-da-da-da-da-ba-da-dum

Didn't need you in my life, why'd you do it?
Wrecking everything inside, breaking through it all
Burnt out the stars and the lights, you were clueless
Thought I was fighting the good fight, but I was losing

For a second, I didn't care
I just saw you standing there
With open arms and an open heart
Back from the finish and right to the start
You were my crux, a piece of the part
But now, I'm

Broken and split, wishing that I could quit you
Hope you know there's nothing that I wouldn't do
I'm addicted, that is just the painful truth, the painful truth

I'm the type that gives all that I have to give
But what's the point if I don't know how I can live?
I'm addicted, that is just the painful truth, the painful truth

Ba-da-da-da-da-ba-da-dum

Had me right under your spell, was it worth it?
Putting a good girl in hell
I was just waiting, dreaming, praying, scheming now
And it's too late for you to stop me now

Broken and split, wishing that I could quit you
Hope you know there's nothing that I wouldn't do
I'm addicted, that is just the painful truth, the painful truth

I'm the type that gives all that I have to give
But what's the point if I don't know how I can live?
I'm addicted, that is just the painful truth, the painful truth, yeah

Ba-da-da-da-da-ba-da-dum

And it hurts when you can't come true to our love
As if it isn't already hard enough
To keep on going when it's tough
But for now, I'm

Broken and split, wishing that I could quit you
Hope you know there's nothing that I wouldn't do
I'm addicted, that is just the painful truth, the painful truth

I'm the type that gives all that I have to give
But what's the point if I don't know how I can live?
I'm addicted, that is just the painful truth, the painful truth
