Em Beihold

Ha-ha, ha-ha
Ha-ha-ha-ha, ha-ah

Haven't you heard I'm a new girl, not the same (Ha)
Got word you're stuck in the same place, such a shame (Ha-ah)
You're just a remnant, a memory so faint
Like history erased (Ha-ha, ha-ha)
(Ha-ha-ha-ha, ha-ah)
All my friends say you're just some loser guy (Ha)
Not worth the pain or one tear from my eye (Ha-ah)
Am I insane? (Ha-ha, ha-ha)
(Ha-ha-ha-ha, ha-ah)
'Cause secretly inside, I hide

That you stay on my mind
Think about you all the time
Don't know why I'm so torn (Ha-ha, ha-ha-ah)
And I get so obsessed
Don't you treat me like the rest
I'm your unicorn
(I'm your unicorn)

I'm at the club only 'cause I might see you there (Ha)
And if I'm honest, this place makes me kinda scared (Ha-ah)
The DJ said, "Put your hands up in the air" (Ha)
But I was unaware

'C-c-cause you stay on my mind
Think about you all the time
Don't know why I'm so torn (Ha-ha, ha-ha-ah)
And I get so obsessed
Don't you treat me like the rest
I'm your unicorn
I'm your unicorn

(Ha, ha, ha)
(Ha, ha, ha)
You stay on my mind (Ha, ha, ha)
Mind-mind, my mind (Ha, ha, ha)
You stay on my mind (One and only so divine; ha, ha, ha)
I get so obsessed (Don't you treat me like the rest; ha, ha, ha)
You stay on my mind (Think about you all the time; ha, ha, ha)
I get so obsessed (All the time; ha, ha, ha)
(All-all the time)

You stay on my mind
Think about you all the time
Don't know why I'm so torn (Ha-ha, ha-ha-ah)
And I get so obsessed
Don't you treat me like the rest
I'm your unicorn
I'm your unicorn

I'm your unicorn
