So Blonde

EMA

Livin' underground like I don’t know what to fear
Barely survived my 27th year
I was alone in the city
I was alone

So lemme tell you 'bout this girl I know
(she’s so blonde)
Her pills are shakin' in her bag
(she’s so blonde)
Her eyes the storm of all the things (th)at(‘s) (sch)cool
(she’s so blonde)
Until Calvin gets her restrained

Livin' with the rats but I couldn’t seem to move
Not even sure now just what i was tryin' to prove
I was alone in the city
I was alone

So lemme tell you 'bout this boy I know
(he’s so blonde)
He’s got a real junkie tattoo
(he’s so blonde)
He’s gonna act like he’s a feminist
(he’s so blonde)
But leave it up to you to prove

Shame

So lemme tell you 'bout this girl I know
(she’s so blonde)
She’ll introduce you to the band
(she’s so blonde)
You wanna love her hate her you don’t know
(she’s so blonde)
But I think she’s all we’re gonna get

So lemme tell you 'bout this boy I know
(he’s so blonde)
He’s bleached from here to hell and back
(he’s so blonde)
You wanna go over after the show
(he’s so blonde)
You know he’s never coming back
