

Maybe there's something wrong  
Maybe I'm the danger  
Go give me my broken bones, I'm walking home  
I don't feel a thing anymore

And I don't know why I can't handle this part of my life  
I'm unable to say I'm feeling safe or someone take my place  
Because I am not forgiving enough to stay insane

Only the fall is mine  
And I'm finding it more than fine  
I'm unstable, pull me through  
Call my name, I'm feeling blue  
And now you tell me what to do

Maybe there's something wrong  
Maybe I don't blame you  
If I had a reason to, a reason to feel like I do  
I wouldn't need any help from you  
I wouldn't need any help from you  
This is my apology for losing sight of what you mean  
For losing sides of me  
Everybody sheds but I'm feeling so lean  
Feeling so lean, feeling so lean

I don't know why I can't handle it, I've tried  
So say I'm feeling safe or someone take my place  
Because I am not forgiving enough to stay insane

Only the fall is mine  
And I'm finding it more than fine  
I'm unstable, pull me through  
Call my name, I'm feeling blue  
And now you tell me what to do
