

Divine

Ember Falls

I would trade eternal life for a touch of the Divine

I won't go, I won't go
I won't leave you here alone
I'll remain, I'll remain
I won't let you down again

Hear me
You and me
We'll be there across the sea
Where this war has no reign
And we can sleep

Solemnly they
Lay to die
And every breath
Every sigh
Beckons the night

I am not afraid to feel this pain
I am not afraid of Falling Rain

And every word
Never alive
Every silence
Screams a deafening lie

I'm not afraid to die this way
If I could only let you hear me say:
I know
That every part of you is made of gold

Let me see your eyes another time
In a flicker at the edge of the night
I would trade eternal life for a touch of the Divine
(A SINGLE TOUCH OF THE DIVINE)

Will never grant eternal life
(No)

Let me go, let me go
The final road to my home
Calls me alone

Finally they
Sever the line
And every moment
Yields itself to the night

I am not afraid to feel this pain
I am not afraid of Falling Rain

And every look
Drowned in time
Every gaze
Is worth a thousand lives

I'm not afraid to die this way
If I could only let you hear me say:
(This darkness never could eclipse your soul)
I know
That every part of you is made of gold

Let me see your eyes another time
In a flicker at the edge of the night
I would trade eternal life for a touch of the Divine

Let me make a bridge to bind our thoughts
Even if I only get to share one
I would waive forever just to hear your voice again

Memories, they hold a bottled life
The warmth of sailing with the sun
And the summer's endless tides
The memories, like gold, are not alive
Ashen pictures charred from the center
From the depths they call and die

(Are you afraid to die?)
(When leaves of Autumn lie)
(Are you afraid to live?)
(Through Winter days that won't forgive)
I'm not afraid to die
As the Spring leaves me behind
But I wish for one more Summer breeze
And the touch of the Divine

(Oh) Let me see your eyes another time
In a flicker at the edge of the night
I would trade eternal life for a touch of the Divine
(A single touch of the Divine!)

Let me make a bridge to bind our thoughts
Even if I only get to share one
I would waive forever just to hear your voice again

The touch of Divine!
