

# One Day

Emblem3

Sometimes I lay  
Under the moon  
And thank God I'm breathing  
Then I pray  
Don't take me soon  
Cause I'm here for a reason

Sometimes in my tears I drown  
I don't never let it get me down  
So when negativity surrounds  
I know some day that will all turn  
Around because  
All my live I've been waiting for  
I've been praying for  
For the people to say  
That we don't wanna fight no more  
There'll be no more wars  
And our children will play  
One day One day One day One dayyyy  
One day One day One day One dayyyy

It's not about  
Win or lose  
We all lose  
When they feed on the souls of the innocent  
Blood drenched pavement  
Keep on moving though the world is still raging  
In this maze you can lose your way (your way)  
It might drive you crazy but don't let it get in your way (no way)

Sometimes in my tears I drown  
I don't never let it get me down  
So when negativity surrounds  
I know some day that will all turn  
Around because  
All my live I've been waiting for  
I've been praying for  
For the people to say  
That we don't wanna fight no more  
There'll be no more wars  
And our children will play  
One day One day One day One dayyyy  
One day One day One day One dayyyy

So that is how will change  
Treat people the same  
And stop with the violence  
Down with the hate

They will all be free  
And proud to be  
Under the same sun  
Singing songs of freedom like

Sometimes in my tears I drown  
I don't never let it get me down  
So when negativity surrounds

I know some day that will all turn  
Around because  
All my live I've been waiting for  
I've been praying for  
For the people to say  
That we don't wanna fight no more  
There'll be no more wars  
And our children will play  
One day One day One day One dayyyy  
One day One day One day One dayyyy
