

## Passion

Embraze

Passion  
We are going yeah  
We are going babe  
You look so beautiful when you cry  
You want to die whore  
Real me I say  
That pulls you away  
I pray for you and I fuck you  
I wanna fuck you all  
Don't you wanna know that I feel  
Oh my passion and love  
Give me your warmth, no matter  
Your time is all I want  
Fuck me  
Suck me  
Hate me  
I wanna fuck you  
Can you feel me
