

# Don't Know About The World

Emei

Don't know about the world, but I know that I love you  
Don't think about anyone else, and I don't want to

I was always openin' my eyes  
Lookin' for somebody's good side  
Not takin' my own advise  
'Cause I'll give an inch, they take a mile  
People on the in tonight  
People that I call my friends  
Turn around and twist it in  
Then I do it all again  
But then you taste  
Like cherry with a scent of sage

Don't know about the world, but I know that I love you (Ahh)  
Don't think about anyone else, and I don't want to (Ahh)  
Yeah, I would spend all of my life inside our own bedroom (Ahh)  
Don't know about the world, but I know that I love you, I love  
you

I watched the sunset through our little kitchen window  
'Cause I'm good stayin' inside, avoiding all the false hope  
I might never leave the couch  
I hate conversations with  
Strangers and acquaintances  
I'm workin' on relationships

Don't know about the world, but I know that I love you (Ahh)  
Don't think about anyone else, and I don't want to (Ahh)  
Yeah, I would spend all of my life inside our own bedroom (Ahh)  
Don't know about the world, but I know that I love you, I love  
you

I do  
'Cause this thing  
Don't know about the world, but I know that I love you  
Don't know about the world, but I know that I love you
