

Another One

Emeli Sandé

Not another one, not another gun
Not another son, that's a lot of blood
Ain't we proved enough, if you cut us once
We gon' bleed the same?
Same old losing game
Yet you still in doubt
What you talking 'bout?
That man's innocent
He's a human being
We are human beings!
We are human beings!

Oh, it's getting late
Oh, it's getting dark
I've been swinging low
With a heavy heart
Try to do my best
Try to play my part, oh, yeah
'Cause I can't take it
No, I can't take another one

No, no, no

No, I can't take it
No, I can't take
Another one

Not another one, not another mum
Lose her life at birth, five times likelier
If your skin is richer in melanin
Still they ask if racism is still a thing
It's so insulting
People suffering
They don't hear me, so
I'll repeat again
We are human beings!
We are human beings!

Hold my head up high
Heart is full of pride
Look me in the eye
No more compromise
If it comes to it, I will pay the price
And from this day on, dedicate my life

'Cause I can't stand it
No, I can't take
Another one

No, no, no, no, no, no

I can't take it
No, I can't take
Another one

Another one
Another one

No, I can't take it
No, I can't take
Another one
