

# Daddy

Emeli Sandé

**Emi**

He's out your system, yeah it took you a while

**Emi**

You got your family back and you got your smile

**C**

**Ami**

**Emi**

And you promised your sister that you'd never go back again

**Emi**

But friends keep telling you what he did last night

**Emi**

How many girls he kissed, how many he lied

**C**

**Ami**

**Emi**

And you try to remember that there's no way you could ever be friends

But now you're

**Emi**

You're looking like you really like him, like him

**C**

And now you're feeling like you miss him, miss him

**Ami**

You're speaking like you really love him, love him

**C**

**Emi**

And now you're dancing like you need him, need him

**Emi**

Put it in your pocket, don't tell anyone I gave ya

**C**

It will be the one you run to, the one that saves ya

**Ami**

**C**

It could be your daddy daddy, if you take it gladly, gladly

**Emi**

Daddy ,daddy

**Emi**

He kissed you on the lips and opened your eyes

**Emi**

You had to catch your breath, got such a surprise

**C**

**Ami**

**Emi**

And you almost forgot how it feels to live in his lie

**Emi**

He pulled you closer, said he'll never let go

**Emi**

You couldn't trust him, but you never said no

**C**

**Ami**

**Emi**

In that moment we may just forget how it feels when he's gone

But now you're

**Emi**

You're looking like you really like him, like him

**C**

And now you're feeling like you miss him, miss him

**Ami**

You're speaking like you really love him, love him

**C**

**Emi**

And now you're dancing like you need him, need him

**Emi**

Put it in your pocket, don't tell anyone I gave ya

**C**

It could be the one you run to, the one that saves you

**Ami**

**C**

It could be your daddy daddy, if you take it gladly, gladly

**Emi**

Daddy, daddy

**Emi**

You're looking like you really like him, like him

**C**

And now you're feeling like you miss him, miss him

**Ami**

You're looking like you really love him, love him

**C**

**Emi**

And now you're dancing like you need him, need him
