Emeli Sandé

Yeah, yeah, hey-yeah-e-yeah  
Yeah, yeah, yeah, yeah  
Oh, mm, yeah

How you got me holding on to roller coasters?  
How you got me jumping outta airplanes?  
How you got me feeling things I'm not supposed to?  
How you make my heart beat out my brain?  
When you gonna let me catch my breath back?  
When you gonna let me get some sleep?

I can't believe, I can't believe you got me in so deep, so deep  
Yeah, how the hell you pull me in so deep, so weak?  
You're messing with my mental, yeah, so deep, so deep  
I can't believe you got me in so deep, so deep

Deeper than the bottom of Pacific Ocean  
Deeper than the sweetest dream I ever had  
Ain't no point in holding on to any rope 'cause  
I don't think I'm ever gonna make it back  
When you plan on giving me my pride back?  
When you gonna give my heart some peace?

I can't believe, I can't believe you got me in so deep, so deep  
Yeah, how the hell you pull me in so deep, so weak?  
You're messing with my mental, yeah, so deep, so deep  
I can't believe you got me in so deep, so deep

I saw you coming so I build a boat  
But the boat too heavy and the boat won't float  
So I jumped right in to the submarine  
But the windows cracked and your love rained in  
I tried my best, my best to swim  
But the wave's too strong and I couldn't win  
So I hold my breath and I dive right in, I dive right in, I dive right in  
I saw you coming so I build a boat  
But the boat too heavy and the boat won't float  
So I jumped right in to the submarine  
But the windows cracked and your love rained in  
I tried my best, my best to swim  
But the wave's too strong and I couldn't win  
So I hold my breath and I dive right in, I dive right in, I dive right in

So deep, so deep  
I can't believe you got me in so deep, so deep  
You're messing with my mental, yeah, so deep, so deep  
I can't believe you got me in so deep, so deep  
So deep, so deep  
I can't believe you got me in so deep, so deep  
You're messing with my mental, yeah, so deep, so deep  
I can't believe you got me in so deep, so deep

Hey, oh-ho, oh-ho, hey  
So deep, so deep, so deep  
How you got me so deep, so deep, baby?  
So deep, so deep, so deep  
How you got me so deep, how you got me so deep?

So deep, so deep, so deep  
How you got me so deep, how you got me so deep?  
Da, da, da, so deep, so deep, so deep  
How you got me so deep, how you got me so deep?  
So deep, so deep, so deep
