Baby, I've been lost at sea  
I've been in the dark  
Oh I've been on my knees  
I've been torn apart  
So I thank God that, I, I, I  
I thank God that I'm surviving  
Oh yeah

Look, see, I've had friends of mine  
Never made it through  
So for them I'm gon' shine  
Yes, I tell the truth  
So I thank God that, I, I, I  
I thank God that I'm surviving  
Yeah

I put my hands to the sky  
I put my hands to the sky, yeah  
And wash the tears from my eyes  
The tears from my eyes, yeah  
Ooh ooh  
I thank God that I'm surviving  
Oh yeah

Look now how the flowers bloom  
Right up from the dust  
Oh I was underground  
I thought all hope was lost  
So I thank God that, I, I, I  
I thank God that I'm surviving  
Oh yeah

Oh I got swept away  
I lost who I was  
I acted childish  
I see how dumb that was  
So I thank God that, I, I, I  
I thank God that I'm surviving  
Oh yeah

I put my hands to the sky  
I put my hands to the sky, yeah  
And wipe the tears from my eyes  
The tears from my eyes  
Thank God, yeah  
I thank God that I'm surviving  
Yeah

I put my hands in the air  
My hands in the air, yeah  
I made it out on a hope and a prayer  
A hope and a prayer, yeah  
Ooh ooh  
I thank God that I'm surviving

'Cause who told me when things were coming?  
Who brings the sun in the morning?

Who did it, who did it?  
Who keeps my cup overflowing?  
Who gives me love so I'm growing?  
You did it, you did it  
Who gives me strength, keeps me glowing?  
Who did it?  
Who did it?  
Who did it?

Now, who told me when things were coming  
Who brings the sun in the morning?  
You did it, you did it  
Who keeps my cup overflowing?  
Who gives me love so I'm growing?  
You did it, you did it  
Who gives me strength so I'm growing?  
Ay yeah  
You did it, you did it  
You did it, yeah

Well, I've got so much to give  
So much life to live  
Oh I feel limitless  
My heart is infinite  
So I thank God that, I, I, I  
That, that I'm a survivor

I put my hands to the sky  
I put my hands to the sky, yeah  
And wipe the tears from my eyes  
The tears from my eyes  
Ooh ooh  
I thank God that I'm surviving

That I'm a survivor  
Survivor  
Oh I'm a survivor  
Survivor
