Break Us

Emerson Drive

I'd fight the world if it were to turn against you
I'd take a bullet to my chest, be your bulletproof vest
Go to war for you, love and live and die for you

Yeah, it's like you took over my mind
Like we're running out of time
And I'm feeling so high
Cause girl, you're so fly
And I won't come down
I'd crash and burn for you
Baby, all I know is
You are my reason for feeling this way

Do you ever wanna run away
Do you ever wanna take my name
Like I took your heart
We got that never tear apart
Nothing can break us
Oh, I'm never gonna let you go
And everybody wants to know
That we got this far
We got that never tear apart
Nothing can break us

Guess I'm believin' that we're always gonna make it
That we'll never be alone
Like forever's set in stone
Every breath for you
Baby, I'll be there for you
You are my reason for feeling this way

Do you ever wanna run away
Do you ever wanna take my name
Like I took your heart
We got that never tear apart
Nothing can break us
Oh, I'm never gonna let you go
And everybody wants to know
That we got this far
We got that never tear apart
Nothing can break us

Like forever's set in stone
We'll never be alone

Do you ever wanna run away
Do you ever wanna take my name
Like I took your heart
We got that never tear apart
Nothing can break us
Oh, I'm never gonna let you go
And everybody wants to know
That we got this far
We got that never tear apart
Nothing can break us
Nothing can break us
We got that never tear apart

Nothing can break us
