

Incredible

EMF

You've put away my prayers
And a crazy thoughts
When no one else believes
You're still show

So don't get down, and don't feel sad
I'm just gonna make you feel like you're never had

I wanna tell ya, I'm gonna show ya
It's good to know ya
I'm gonna shout about it, don't you ever doubt it
It's good, I tell ya

You've been listen to my groove
And seen my full-eyed tears
Stick it around a bottom of my cocorea

So don't feel down, and don't look sad
I'm just gonna make you feel like you're never had

I wanna tell ya, I'm gonna show ya
It's good to know ya
You make me feel incredible
Well, I'm gonna make you feel incredible too

I'm just gonna make you feel like you're never had

I wanna tell ya, I'm gonna show ya
It's good to know ya
I'm gonna shout about it, can't live without it
It's good, I tell ya

I wanna tell ya, I'm gonna show ya
It's good to know ya
You make me feel incredible
Well, I'm gonna make you feel incredible too

It's good, I tell ya
So good, I tell ya
