

Giving Up

Emigrate

I won't give it away
But still you wanna take it all
At the end of the day
Somebody's gonna take a fall

Rise for a revolution
Now it's done
No retraction
Watch'em make
New rules to break
I'm not slipping away

I'm not giving up
I'm not going away

I'm not looking away
I watch you try to take it all
At the end of the day
A wonder you can sleep at all

Braving the evolution
It's what I call inspiration
Hang'em high
An eye for an eye
Are you ready to play?

I'm not giving up
I'm not going away
We can't get enough
Slipping into the fray

I'm not giving up
I'm not going away
We don't give a fuck
Slipping into the fray

Raising a new religion
The time is now
Satisfaction
Yesterday, I had my way
Now I've got something to say

I'm not giving up
I'm not going away
We can't get enough
Slipping into the fray

I'm not giving up
I'm not going away
We don't give a fuck
Slipping into the fray

I'm not giving up
We don't give a fuck
