We're all cast in the same tragedy
Most of us never achieved
A lifetime award
The clocks are ticking the seconds away
So were getting closer each day to our last curtain call

If I had one wish fulfilled
Tonight I wanna sing with you
No matter if we're out of tune
Tonight we'll end up dancing dancing on the
moon

All the thoughts are running in circles again What will we get in the end We're waiting and dreaming All hopes are melting like ice in the sun To run dry like a well the sand The sand of a lonesome desert

If I had one wish fulfilled
Tonight I wanna sing with you
No matter if we're out of tune
Tonight we'll end up dancing dancing on the
moon
Tonight I wanna sing with you
No matter if we're out of tune
Tonight we'll end up dancing dancing on the
moon

Tonight we will break free Tomorrow we'll be kings and queens Forever they will sing about us Oh oh oh oh oh oh oh oh...

Oh tonight
Tonight I wanna sing with you
No matter if we're out of tune
Tonight we'll end up dancing dancing dancing on the
moon
Tonight I wanna sing with you
No matter if we're out of tune
Tonight we'll end up dancing dancing dancing on the
moon
