

Facials (The Corrosion of Mind)...The Hoover Jam

Emil Bulls

Tonight is the night for us to go wild
Let`s do all the dirty things we`ve seen
In books and magazines on TV screens
I can`t wait for my grand entrance

I want you to hit me in the face while I come on you

Tonight is the night for me to overcome
A jerk wants to be someone
you`re going to want my cock meat up that virgin ass oh
baby

I want you to hit me in the face while I come
Yeah I want you to spit me in the face while I come on
you

Come lick on me suck on me spit on me and hit me in the
face
Come lick on me suck on me spit on me and hit me in the
face
Come lick on me suck on me spit on me and hit me in the
face
