Green Machine

Emil Bulls

I've got a war inside my head
It's got to set your soul free
I've got a wheel inside my head
A wheel of understanding

I'm a loadin', loadin' my war machine
I'm contributing to the system, the break down scheme
I'm a shuttin' down, I'm shuttin' down your greed for
green
I am here to gun it down, I gotta do

I see pretty flowers at my feet
Cool breeze, clean air, hospitality
Pretty please, pretty please, pretty please
Get the hell away from me

I'm a loadin', loadin' my war machine
I'm contributing to the system, the break down scheme
I'm a shuttin' down, I'm shuttin' down your greed for
green
I am here to gun it down, I gotta do

I've got a war inside my head
It's got to set your soul free
I've got a wheel inside my head
A wheel of understanding

I'm a loadin', loadin' my war machine
I'm contributing to the system, the break down scheme
I'm a shuttin' down, I'm shuttin' down your greed for
green baby
I am here to gun it down, I gotta do
