

Swoin-Soo

Emil Bulls

Don't get me wrong, sucker!
I'm just out of control, yes I'm a loaded gun
Fuck you
I have to party all night cause I'm in great demand
Stop it, I wish I could but I don't want to

Everything is bad for something new

It's my generation, we've got the loudest tunes
It's my generation, we want to consume
It's my generation, we're into the drugs

It's me and it's you - but it's not our fault

What we do in life echoes in eternity
So there will be one
Hell of a body in heaven you'll see
Stop it, I wish I could but I don't want to
